

INCANDESCENT LAMP

SPECIFICATIONS

Get the right light for bedtime stories and nighttime trips to the bathroom with Feit Electric 4-watt 120V White Glass Incandescent Light bulbs. Use these bulbs in standard night lights for kids' rooms, bedrooms, bathrooms, and hallways. They produce a 15-lumen 2700K Soft White glow that is easy on the eyes at night and won't disrupt sleep. No need to worry about keeping the light on all night, as they use very little energy and last years. BP4C7/W/4/CAN bulbs are fully dimmable and turn on instantly to full brightness. They are an affordable replacement for traditional incandescent E12-base light bulbs fitting night lights, indicators, toys, and appliances. Rated to last up to 3,000 hours, they have an estimated annual energy cost of \$0.48. Choose dependable Feit Electric night light bulbs for residential or commercial applications.

Ideal For

Night Lights
