

HALOGEN LAMP

SPECIFICATIONS

Ideal For

Halogen Lighting

Highlight art and sculptures or get directional spot lighting for both residential and commercial spaces with Feit Electric BPFMW-120 35-watt MR16 Halogen light bulbs. Halogen technology is more efficient than traditional incandescent light and lasts longer without needing to be replaced. This 120-volt bulb has a G8 base and a 38° beam angle ideal for track lighting and recessed lighting. It features 3000K Warm White light and a high 99 CRI (color rendering index) rating, so people and objects appear more vibrant with true-to-life color. This MR16 reflector produces a dimmable 400-lumen light output. It has even light distribution and an average life of 3,000 hours. Choose a dependable high-quality MR16 bulb for home, office, or retail applications.

Warm White
3000
