

HALOGEN LAMP

SPECIFICATIONS

Ideal For

Halogen Lighting

Feit Electric's 20-Watt Xenon G8 Base Light Bulb produces a whiter, brighter light that runs cooler and lasts longer than halogen bulbs. Each 170-lumen bulb provides high 99+ CRI color rendering, for more vibrant and true-to-life color. 3000K Bright White light gives off a warm, comforting light to both commercial and residential applications. Brilliant shine, compact size, and optimum color rendition make these lamps ideal for under cabinet lighting, accent lighting, display lighting, and task lighting.

Warm White
3000K
