

LED LAMP

SPECIFICATIONS

Ideal For

Security Fixture

Feit Electric security lighting provides all the advantages of the latest LED technology along with timeless style, allowing you to keep areas well-lit without compromising home aesthetics. A built-in sensor automatically turns lights on at night and off during the day, providing a convenient way to save on energy costs. A smart, low maintenance solution, LED lighting provides up to 80% in energy savings over conventional light fixtures and decades of reliable light.

Benefits

- Energy Star® Approved
- Even and wide light distribution.
- Built in dusk to dawn light sensor
- Estimated lifetime savings of \$1650 in energy cost
- Also available in Stainless Steel trim - SKU# 73709
- Damp Location Rated
