

# LED FIXTURE

## SPECIFICATIONS

Convert your current recessed lighting to energy saving LED with an Enhance LED Downlight Retrofit Kit with Color Select. Preset color temperature on the fixture or adjust after install. Get warm, cool or daylight with a flip of a switch. Our high-powered LEDs with a 90+ CRI (color rendering index) rating provide bolder color rendering and enhanced contrast. This kit will fit most 5 or 6 inch recessed cans and comes with a standard base adapter and a pre-mounted trim for a hassle-free do-it-yourself installation. Ideal for residential use in kitchens, living rooms and dining rooms and for commercial retail and hospitality spaces as general lighting.

**75-Watt Equivalent 5-6 in. Color Select LED Recessed Downlight**

**LEDR56/4WYCA**
