

LED LAMP

SPECIFICATIONS

Ideal For

Recessed Lighting

Convert recessed lighting to energy saving LED with a Downlight Retrofit Kit. Designed for easy DIY installation, the kit comes with a standard base adapter and a pre-mounted trim. The fixture produces a similar output to the equivalent incandescent using less electricity and provides years of reliable light.

Benefits

- Easily update older recessed lighting to latest energy saving LED
- 90+ high CRI color rendering light bulbs allow colors to appear more realistic and vibrant
- Supports full range dimming so you can customize the brightness level of any room
- Energizing crisp Daylight color illuminates fine details with invigorating cool light
- Wet Location Rated
