

LED LAMP

SPECIFICATIONS

Ideal For

Recessed Lighting

Highlight a beautiful painting or sculpture or accent an area with Feit Electric high-CRI Reflector light bulbs. LED technology provides the same brilliance as equivalent incandescent lights while using considerably less energy. A 90+ CRI rating makes colors more vibrant, skin tones look more natural, all while saving energy and lasting for a decade or more.

Benefits

- 90+ high CRI color rendering light bulbs allow colors to appear more realistic and vibrant
- Directional light perfect for track or recessed ceiling mounts
- Bright White glow makes any area of the home cozy and inviting
- Highest quality energy efficient light compliant with California Title 20 energy efficiency standards
