

LED FIXTURE

SPECIFICATIONS

Convert your old recessed downlights to advanced LED energy-saving technology with the LEDR56FP/830 flat panel recessed downlights from Feit Electric. These versatile lights can fit most 5 and 6 inch recessed can housings, or install as flat panels in finished ceilings. Integrated LEDs provide a dimmable 800 lumens of 3000K Warm White light while using only 8.8 watts - up to 82% less energy than an equivalent 65 watt incandescent light bulb. Feit Electric Recessed Downlights have an average life of 50,000 hours/ 47 years and are RoHS Compliant. Each kit comes with a standard base adapter and a pre-mounted trim. Choose a dependable Energy Star Certified recessed downlight for your residential or commercial needs.

65-Watt Equivalent Warm White 5/6 in. Flat Panel LED Recessed Downlight
