

LED LAMP

SPECIFICATIONS

Combine classic style with modern reliability and energy savings with Feit Electric LED glass Filament Light Bulbs. These dimmable Filament LED Light Bulbs are made with LED exposed filament and wrapped in a glass housing to deliver an elegant traditional look and feel. They produce a similar light output while using less energy and lasting much longer than a standard incandescent light bulb.

75 W Equivalent Soft White A19 Dimmable Filament LED

A1975/827/FIL/2

Features

- Versatile bulb suitable for a variety of fixtures and lighting applications
