

LED LAMP

SPECIFICATIONS

Ideal For

Track Lighting, Recessed Lighting, Boats, RVs

Highlight a beautiful painting or sculpture or accent an area with Feit Electric high-CRI Reflector light bulbs. LED technology provides the same brilliance as equivalent incandescent lights while using considerably less energy. A 90+ CRI rating makes colors more vibrant, skin tones look more natural, all while saving energy and lasting for a decade or more.

Benefits

- 90+ high CRI color rendering light bulbs allow colors to appear more realistic and vibrant
- Energizing crisp Daylight color illuminates fine details with invigorating cool light
- Dial it up, dial it down to set the mood with fully dimmable customizable lighting
- 12 volt DC power input can operate in RVs or marine vehicles
- Highest quality energy efficient light compliant with California Title 20 standards
