Ideal For

Office, Garage and Warehouse

Convert existing fluorescent fixture to LED technology with Feit Electric plug and play LED tubes. Installation is easy, no replacing/rewiring of the fixture is required to experience the same light output using less electricity than a standard fluorescent. Get instant on to full brightness even in sub-zero temperatures, with relatively cool running performance.

Benefits

- Converts your existing fluorescent fixture to LED technology
- Easy plug and play direct installation - no need to replace or remove old ballast or rewire the fixture
- Soft White glow makes any space appear cozy and inviting
- Energy efficient LED technology uses considerably less power and last longer compared to equivalent incandescent lights
