

LED LAMP

SPECIFICATIONS

Ideal For

Office, Garage and Warehouse

Convert your existing fluorescent fixture to LED technology with Feit Electric LED Tubes. This energy efficient light produces a similar light output using less watts than the equivalent fluorescent bulb and last for decades without needing to be replaced. Versatile installation allows both plug and play replacement or operation without a ballast with basic rewiring of the fixture.

Benefits

- Converts your existing fluorescent fixture to LED technology
- Flexible installation options allow either direct plug & play with existing ballast or simple rewiring to bypass the ballast
- Energizing crisp Daylight color illuminates fine details with invigorating cool light
- Energy efficient LED technology uses considerably less power and lasts longer compared to equivalent incandescent lights
