

# LED LAMP

## SPECIFICATIONS

### Ideal For

Office, Garage and Warehouse

Feit Electric Plug and Play direct replacement LED tubes are an energy- and maintenance-saving alternative to traditional fluorescent lamps. These LED lamps provide instant uniform light distribution using considerably less power than equivalent fluorescent bulbs. Plug and play installation works with existing ballast in the fixture.

### Benefits

- Converts your existing fluorescent fixture to LED technology
- Cool White vibrant light ideal for work spaces and task lighting
- Super bright light output is ideal for larger spaces or anywhere you want more light
- Energy efficient LED technology uses considerably less power compared to equivalent fluorescent lights
