

LED LAMP

SPECIFICATIONS

Add a touch of magic to any room in the house with an LED fairy light bulb from Feit Electric. This unique mini cylinder-shaped bulb plugs into any medium base (E26) fixture and produces a twinkling red, green and blue glow perfect for both parties and cozy nights. Eco-friendly LED technology uses just a single watt of electricity and is rated to last 20,000 hours.

Fairy Light Red Green and Blue LED

FY/NP/RGB/LED

Features

- Mini-LEDs embedded along flexible, ultra-thin metallic wire create a magical glow
- Festive red, green and blue lights add a splash of color to any occasion
- Energy efficient LED technology uses considerably less power compared to equivalent incandescent lights
- Long life reduces the hassle of replacing bulbs so often
- Ideal for Holiday and Parties
- 2 Year Warranty
