

# LED LAMP

## SPECIFICATIONS

Enjoy all the benefits of advanced LED energy-saving technology with a high-CRI chandelier LED light bulb from Feit Electric. Replacing a 25 watt incandescent light, it produces 200 lumens of 2700K Soft White light while using 2.2 watts of electricity - saving up to 89% in energy costs. A stylish flame tip design with exposed filament instantly livens up the décor of any room and a 90+ CRI makes colors vibrant and skin tones look more natural, all while saving energy and lasting for a decade or more. Choose a dependable Energy Star and CA Title 20 / 24 decorative bulb to brighten your home.

### 25 Watt Equivalent Enhance Glass Filament LED

**BPEFC25/927CA/FIL/2**

### Features

- Exposed filament look lends a touch of elegance to chandeliers
- Dial it up, dial it down to set the mood with fully dimmable customizable lighting
- Combines the familiar look of classic incandescent bulbs with energy-efficient LED technology
- Highest quality energy efficient light compliant with California Title 20 energy efficiency standards
- Energy Star and California Title 20 / 24 compliant
