

LED FIXTURE

SPECIFICATIONS

Upgrade your old recessed downlights to advanced LED energy-saving technology a Smart Recessed Downlight from Feit Electric. Fitting most 4 inch recessed can housings, this dimmable RGBW smart bulb can produce up to 720 lumens using only 8 watts - up to 84% less energy than an equivalent incandescent. Control lighting with simple voice commands or an intuitive mobile app. Get creative with color, it's all up to you. The bulbs connect directly to your WiFi at home, without any hubs or additional hardware. 90+ CRI LED light makes colors vibrant and skin tones look more natural, all while saving energy and lasting for decades. Each Energy Star qualified kit comes with a standard base adapter and a pre-mounted trim

4" Smart Alexa Google Recessed Downlight

LED4/RGBW/AG
