

LED LAMP

SPECIFICATIONS

Upgrade your old garage lighting to long-lasting and energy efficient LEDs with the Feit Electric DISK300/850/LED disk lamps. These lights come with an E26 medium base and easily screw in to a wall or ceiling opening, providing 5000 lumens of 5000K Daylight color temperature light using only 50 watts - saving over 83% in energy costs over an equivalent 300-watt incandescent light. The unique disc shapes provides reliable all-around light distribution, adding to the comfort of your home.

300-Watt Equivalent Daylight Disk LED Light Bulb

DISK300/850/LED

Features

- Upgrades older lighting to the latest energy saving LED technology
- Energizing crisp Daylight color illuminates fine details with invigorating cool light
- Energy efficient LED technology uses considerably less power compared to equivalent incandescent lights
- Long life reduces the inconvenience of replacing bulbs so often
- 3 Year Warranty
