

LED LAMP

SPECIFICATIONS

Combine the traditional look and feel of chandelier lighting with the advantages of modern LED technology with the ST1960/CL/950CA/2 decorative filament LED light bulb from Feit Electric. This dimmable 5000K Daylight color temperature light produces 800 lumens using 8.8 watts of electricity - saving up to 85% in energy costs over an equivalent 60-watt incandescent. A stylish tapered look with an exposed filament wrapped in glass housing is ideal for decorative lighting fixtures and will enhance the décor of any room.

Features

- Adds a touch of elegance to chandeliers or wall sconces
- Glass filament design attracts attention even when the bulb is off
- Dial it up, dial it down to set the mood with fully dimmable customizable lighting
- Energizing crisp Daylight color illuminates fine details with invigorating cool light
- Ideal for Decorative Fixture
- 2 Year Warranty
