

# LED FIXTURE

## SPECIFICATIONS

Convert your old recessed downlights to advanced LED energy-saving technology with the LEDR56HOJBX/6WYCA color selectable 5-6 inch canless recessed downlight from Feit Electric. This light features an integrated J-Box and built-in trim for installation directly into finished ceilings without recessed cans. A dimmable edge-lit design produces 1200 lumens using only 17 watts - up to 80% less energy than an equivalent 85-watt incandescent. Preset your preferred color temperature on the fixture or adjust after install with a toggle of a standard wall switch: get warm, cool or daylight color light with just a flip. A 90+ CRI light makes colors vibrant and skin tones look more natural, all while saving energy and lasting for a decade or more.

### 5/6 in. Color Selectable High Output Integrated J-Box Recessed LED Downlight

LEDR56HOJBX/6WYCA

#### Features
