

LED FIXTURE

SPECIFICATIONS

Convert your old recessed downlights to advanced LED energy-saving technology with the LEDR6XT/ADJ/6WYCA color-selectable 6-inch canless tethered recessed downlight from Feit Electric. This light features a tethered J-Box and built-in trim for installation directly into finished ceilings without recessed cans. An innovative swivel gimbal mechanism allows directional focus to accent artwork, furniture or areas of the home. LED technology outputs 850 lumens of light while using only 13 watts - up to 78% less than an equivalent 65-watt incandescent. Preset your preferred color temperature on the fixture or adjust after install with a toggle of a standard wall switch: get warm, cool or daylight color light with just a flip. A 90+ CRI light makes colors vibrant and skin tones look more natural, all while saving energy and lasting for a decade or more.

6 in. Color Selectable Tethered J-Box Adjustable Angle Recessed LED Downlight

LEDR6XT/ADJ/6WYCA
