

LED FIXTURE

SPECIFICATIONS

The Feit Electric PF11/RND/4WY/NK 11-inch round LED fixture with selectable color temperature provides added function and beauty to any residential or commercial area. Choose from 3000K Warm White, 4000K Cool White or 5000K Daylight color temperatures on the fixture, or change after installation with a flip of a standard light switch. A frost white plastic lens and nickel frame add beauty and modern style to any area. These ceiling fixtures are energy efficient, produce even light distribution of 1000 lumens and have an average life of 50,000 hours, years delivering Energy Star certified reliable lighting.
