

# LED FIXTURE

## SPECIFICATIONS

Convert your old recessed downlights to advanced LED energy-saving technology with the LEDR56/NL/5CCTCA color-selectable recessed downlight from Feit Electric. Fitting most 5-6 inch recessed cans housings, this innovative downlight features five selectable color temperatures and a warm color 2200K night light option. A dimmable LED design produces 1000 lumens using only 11.1 watts - up to 85% less energy than an equivalent 75-watt incandescent. Preset your preferred color temperature using the toggle on the fixture, or go from regular lighting to night mode with just a flip of a standard light switch. A 90+ CRI light makes colors vibrant and skin tones look more natural, all while saving energy and lasting for a decade or more.

**75-Watt Equivalent 5/6 in. Color Selectable LED Downlight With Night Light Mode**

**LEDR56/NL/5CCTCA**
