

LED FIXTURE

SPECIFICATIONS

Convert your old recessed downlights to advanced LED energy-saving technology with the LEDR6DB/6WYCA color-selectable 6-inch recessed downlight from Feit Electric. Designed for easy DIY installation, the downlight fits most 5/6" recessed can housings and comes with a standard base adapter and a pre-mounted trim. A deep baffle design produces extra soft light and reduces glare. Integrated LED output 950 lumens using only 10.5 watts - up to 86% less energy than an equivalent 75-watt incandescent. Preset your preferred color temperature on the fixture or adjust after install with a toggle of a standard wall switch: get warm, cool or daylight color light with just a flip. A 90+ CRI light makes colors vibrant and skin tones look more natural, all while saving energy and lasting for a decade or more.

75-Watt Equivalent 5/6 in. Deep Baffle Color Selectable Recessed LED Downlight

LEDR56DB/6WYCA

Features

- Converts conventional recessed lighting to energy saving LED technology
- Deep baffle trim reduces glare and softens light
