

LED LAMP

SPECIFICATIONS

This T80/2600/5K/LED/HDRP medium (E26) base LED light bulb from Feit Electric provides maximum illumination for large rooms, yards, or anywhere you need more light. Designed to replace high-lumen incandescent and HPS lamps, these lights operate directly in 120-277 Volt medium base socket fixtures, without the need for ballast. LED technology puts out an ultra-bright 2605 lumens using just 24 watts - up to 84% better than the equivalent to 150-watt incandescent. Each bulb is rated to last an average of 25000-hours/22.8-years, is ROHS compliant and 100% mercury-free.

2605 Lumen T80 Medium Base High Output LED

T80/2600/5K/LED/HDRP
