

LED FIXTURE

SPECIFICATIONS

Give your kitchen counters extra beauty and functionality with the Feit Electric UCL12.5/840/BAT rechargeable battery under cabinet light. This 12.5-inch fixture mounts to most surfaces using the included adhesive tape, and turns on with the touch of a button. The powerful battery provides up to 8.5 hours of continual light and recharges easily using the included micro-USB cable. Installation is easy: just attach the double-sided adhesive tape onto the mounting plate and push to stick on a flat surface. The light connects to the mounting plate using built-in magnets and can be quickly detached to recharge.
