

LED LAMP

SPECIFICATIONS

For large commercial spaces, the Feit Electric ADJ20000/5K/LED extra large panel light provides an efficient and flexible way to get the maximum illumination in a small form. This light comes with independently adjustable panels that fold down up to 90° to direct light exactly where desired. Integrated LEDs produce 20000 Lumens of 5000K Daylight color temperature light using considerably less power than equivalent incandescents. Each light lasts up to 20,000 hours delivering bright, reliable illumination.

2000 Lumen Foldable Panel Garage Light
