

LED LAMP

SPECIFICATIONS

For garages, attics and other dark spaces, the Feit Electric ADJ8000/5K/LED panel light provides an efficient and flexible way to get bright illumination in a small form. This light comes with independently adjustable panels that fold down up to 90° to direct light exactly where desired. Integrated LEDs produce 8000 Lumens of 5000K Daylight color temperature light using only 80 watts - a savings of 80% over an equivalent 400-watt incandescent. Each light lasts up to 20,000 hours delivering bright, reliable illumination.

8000 Lumen Foldable Panel Garage Light

ADJ8000/5K/LED
