

# LED LAMP

## SPECIFICATIONS

Upgrade your existing fluorescent fixture to LED technology with the Feit Electric PL26AB/H/CCT/LEDG2 dual-mode bulbs. Designed with a horizontal 4-pin base, these lamps easily replace existing downlight fluorescents, while providing longer lasting and more energy-efficient light. Use the switch on the bulb to choose between 2700K Soft White, 3500K Neutral White and 4000K Cool White color temperatures. Versatile installation allows both plug and play replacement or operation without a ballast after basic rewiring of the fixture.

### PL26AB/H/CCT/LEDG2

#### Features

- Converts conventional recessed lighting to energy saving LED technology
- Flexible installation options allow either direct plug & play with existing ballast or simple rewiring
- Choose between Soft White, Neutral White or Cool White with the toggle of a switch
- 4-pin base compatible with multiple fluorescent ballast
- 2-Year Warranty

Brightness (Lumens)	Watts	Wattage Equiv.	Color Temp.
1400	18	26	2700/3500/4000
