

# LED LAMP

## SPECIFICATIONS

Upgrade your existing fluorescent fixture to LED technology with the Feit Electric PL26AB/H/CCT/LED dual-mode bulbs. Designed with a horizontal 4-pin base, these lamps easily replace existing downlight fluorescents, while providing longer lasting and more energy-efficient light. Use the switch on the bulb to set a color to match your mood or activity: choose between 2700K Soft White, 3500K Neutral White and 4100K Cool White color temperatures. Versatile installation allows both plug and play replacement or operation without a ballast after basic rewiring of the fixture.

**PL26AB/V/CCT/LEDG2**

### Features

- Converts conventional recessed lighting to energy saving LED technology
- Flexible installation options allow either direct plug & play with existing ballast or simple rewiring
- Choose between Soft White, Neutral White or Cool White with the toggle of a switch
- 4-pin base compatible with multiple fluorescent ballast
- 2 Year Warranty
