

LED LAMP

SPECIFICATIONS

For large commercial spaces, the Feit Electric ADJ12000/5K/LED panel light provides an efficient and flexible way to get high illumination in a small form. This light comes with independently adjustable panels that fold down up to 90° to direct light exactly where desired. This ultrabright light is ideal for large garages, workshops, covered porches, and industrial spaces. Integrated LEDs produce 12000 Lumens of 5000K Daylight color temperature light using only 120 watts - a savings of 76% over an equivalent 500-watt incandescent. It is 1500% brighter light than 60-watt incandescent bulbs and lasts up to 20,000 hours delivering bright, reliable illumination for up to 18.3 years with 3 hours per day average use.

1200 Lumen Foldable Panel Garage Light

ADJ12000/5K/LED

Features

- High output light is ideal for large commercial spaces or high ceilings
