

LED LAMP

SPECIFICATIONS

Combine the vintage glass filament lighting look and feel with the advantages of modern LED technology with this stylish four-pack of decorative light bulbs from Feit Electric. Energy efficient LEDs replace a 100-watt incandescent, producing a 5000K Daylight color temperature glow that energizes mornings and illuminates fine details. A stylish ST19 shape with vertical filament strips wrapped in clear glass housing is ideal for decorative lighting fixtures and will enhance the décor of any room. Enhance 90+ CRI makes skin tones more natural and colors vibrant, all while saving energy and lasting 15,000 hours or more. Choose a dependable bulb for your residential or commercial decorative lighting applications.

100-Watt Equivalent ST19 Daylight Filament LED

ST19100CL/950CA/4
