

LED LAMP

SPECIFICATIONS

The Feit Electric S9DFL/CCT/WH/AG/MX LED Dual Head Flood Light provides added outside security lighting to any residential or commercial area. Super bright, long lasting LEDs are integrated into the fixture so there are no bulbs to replace. Control lights from anywhere on your smart device or Amazon Alexa / Google Home voice assistants. Set schedules, timers, color and more. These outdoor security lights are weather resistant and can be easily mounted on walls or eaves. They deliver welcoming, safe and reliable exterior lighting for 50,000 hours or more.

Ideal For

Security Fixture
