

LED FIXTURE

SPECIFICATIONS

Convert your old recessed downlights to advanced LED energy-saving technology with the 4-inch smart downlight from Feit Electric. This innovative recessed downlight comes with a tethered J-Box and built-in trim for installation directly into finished ceilings without recessed cans. Use your favorite mobile device or Alexa / Google / Siri smart assistants to easily turn lights on/off, dim, set groups and schedules from anywhere. Choose energizing daylight or wind down with relaxing soft white light. Get creative with color, it's all up to you. Control lighting with simple voice command or an intuitive mobile app. Setup is simple: the lights connect directly to your Wi-Fi at home and can be controlled from anywhere. A 90+ CRI makes colors vibrant and skin tones look more natural, all while saving energy and lasting for decades. Highest Quality Energy Efficient Light Compliant with California Energy Commission Standards Title 20
