

LED FIXTURE

SPECIFICATIONS

The 13 in. Smart Lantern combines the latest in technology with a stylish traditional design that complements the exterior décor of any home. Connect to the Feit Electric app and use your favorite smart device to turn the lantern on/off, set timers, schedules and more. Choose from millions of colors or select a shade of white. All-bronze housing and frosted glass attract attention even the lantern is off, while 500 lumens of light keep doorways and porches safe and secure at night.

13 in. Bronze LED Lantern

LAN13/RGBW/RP
