

LED FIXTURE

SPECIFICATIONS

Keep your home safe and secure with the Feit Electric motion-sensing triple-head flood light. Integrated sensors turn lights on automatically at night when detecting motion from up to 60 feet away, and keep them off during the day. Rugged weather-resistant housing stands up to the elements while extra-bright 3000 lumen lamps keep the surrounding area well illuminated. Great for outdoor use as a preventative measure against trespassers or indoor as an easy hands-free way to light up a space as you walk by.
