

# LED FIXTURE

## SPECIFICATIONS

Get the right light for any activity with one fixture with the 74006/6WYCA 7.5 inch round ceiling downlight from Feit Electric. Enjoy the convenience of color selectable outputs from Warm White 3000k, Neutral White 3500k, Cool White 4000k, Daylight 5000k, And Daylight Deluxe at 6500K. Prior to install simply choose one of the light color temperatures or adjust after install with a flip of a switch. This universal surface mount fits 4 inch recessed cans as well as 5/6inch cans and can also be flush mounted to provide the look of a traditional down light. This downlight can also output 900 lumens of light using only 12 watts of electricity replacing the output of a traditional 75 watt fixture. Fixture features an integrated high 90+ CRI (color rendering index) LEDs with the highest quality energy efficient light, bolder color rendering and enhanced contrast so people and objects appear more realistic and vibrant.

### 7.5 In. 900 Lumens Adjustable CCT Round LED Flat Panel Ceiling Downlight

74006/6WYCA
