

LED LAMP

SPECIFICATIONS

Upgrade your lighting to Feit Electric's elegant Exposed White Filament LED Light Bulbs for a fresh, modern take on vintage bulbs. These first-of-their-kind bulbs take a traditional flame tip bulb with exposed filament encased in clear glass and add lower-profile white filaments. Unlike yellow filaments, these blend in while standing out, for a timeless look that complements any room. They provide a 2700K Soft White glow ideal for creating a relaxing and comfortable atmosphere with no harsh glare. These bulbs can be utilized with any E12 Candelabra base such as chandeliers, wall sconces, pendant lights and more. The BPCFC60927CAWFIL/4 emits 500 lumens while only using 5.5 Watts of power, up to 90.8% less energy than equivalent 60-watt incandescent bulbs. Create a stylish minimalistic feel that instantly livens up the décor of any home or commercial space.

Ideal For

Ceiling Fixtures and Chandeliers

Benefits

- Exposed white filament blends modern and vintage aesthetic for maximum versatility
- High 90+ CRI bulbs bring out more natural skin tones and vibrant, true-to-life colors
- 500-lumen LED light lasts up to 15,000 hrs/13.6 years, with an annual energy cost of only \$0.66 (based on 3hrs/day avg. use)
- Dimmable Soft White (2700K) glow makes any room feel comfortable and inviting
- Flicker-free, instant-on illumination at full brightness
