

LED LAMP

SPECIFICATIONS

Combine classic style with modern reliability and energy savings with the Feit Electric S14/827/FILED/4 LED Exposed Filament Light Bulbs. Each LED Bulb is made with exposed filament and wrapped in a durable clear glass housing to deliver a classic look and feel. Upgrade your old string lights to these S14 bulbs for a 2700K Soft White glow and 70-lumen output similar to traditional incandescent lights, using up to 90% less energy. They use 1 watt per bulb, with an estimated annual energy cost of only \$0.12/year per bulb (based on 3 hours per day of use). Get instant on to full brightness with relatively cool running performance and up to 15,000 hours of life/13.7 years. Choose Feit Electric S14 exposed filament bulbs to add a touch of class to your porch, patio, or outdoor space for years to come.
