

LED LAMP

SPECIFICATIONS

The Feit Electric STRP/4X2/4WY/LED/V1 Strip Light comes fully assembled and provides added function to any residential or commercial area. With instant-on full brightness, LEDs are integrated directly into the fixture so there are no lamps to replace. With our selectable color switch, you can preset your preferred light color temperature: Soft White, Bright White, or Daylight White (3000/4000/5000K) or set it to switch, for an easy toggle between color temperatures with a simple flip of a standard light switch. This energy-efficient 4500-lumen fixture uses 20 watts of electricity, less energy than an equivalent incandescent light bulb. This strip light fixture can be mounted as a ceiling mount or wall scone in living rooms, kitchens, laundry rooms, basements, or in retail spaces. It has an average life of 50,000 hours/45.7 years. The estimated annual energy cost is only \$5.06. For bright, reliable light choose Feit Electric.

Ideal For

Office, Garage or Warehouse Lighting

Benefits
